Mr. David Sharp

Madisonville, KY 42431

Dear Mr. Sharp:

Thank you for responding to our KY Right to Life Victory PAC Questionnaire for the 2022 Primary election.

It's been said that elections have consequences and that every vote matters. At Kentucky Right to Life, we know how true that is for the most vulnerable among us.

Kentucky Right to Life believes the first human right is the right to life. We work to protect the right to life of every person, born and pre-born, and to protect those who are medically fragile from the increasing threat of physician-assisted suicide and euthanasia.

On behalf of the KY Right to Life Victory PAC Committee, I am pleased to inform you that **you have been endorsed by the Kentucky Right to Life Victory Political Action Committee** for House District 4 in the May 17th Primary election.

We wish you victory in the upcoming election. We encourage all Kentucky Right to Life members, our Right for Life Chapters throughout Kentucky and ProLife Kentuckians in your district to cast their "ProLife" votes for you!

Sincerely,

Diana Maldonado, Chair
Kentucky Right to Life Victory PAC
